# THE LIGHTNING FLASH, PAGE 1

## TECH. TALK.

### Do you subscribe to the newflashes from Megan?

Every so often, across the screen flies a newflash from Megan at Building Codes Queensland. Recently I received number 358 on mosquito proofing rainwater tanks, a very interesting read. The old way was a cup of oil to float on the water and it stopped the wriggles from breathing.

Roofers, did you receive the Newsflash number 339 on the LHL test method effective 1 May 2009 ?

Back issues are available at;

## Institute of Plumbing Inspectors opens Central Qld Sub Branch.

Trust this logo, it is our symbol of quality on which you can rely.

See our full range of products on the net.

The IPIO, under the initiative of Chiz Ruxton has opened a new Central Queensland Sub Branch in Moranbah. The first meeting was on March 25 and further meetings will be on a quarterly basis with the next being in Mackay on July 14

Further meetings will be

rostered to other locations within the region of Central Queensland.

Storm Plastics will be the guest speaker on Reactive Soils at Mackay on July 14.

For further information contact the President,

Chiz Ruxton, Plumbing Inspector, Isaac Regional Council.

Moranbah QLD 4744. Ph.07 49414527 Mo. 0437 015278

**ARE YOU KEEPING UP WITH INDUSTRY EVENTS ?**

Are you going to the WIOA conference at Caloundra, June 17 where our Des Grevell is presenting a paper, REACTIVE SOILS CAN BE VICIOUS?

Are you going to the Master Plumbers' Tradeshow on September 11 ?

Are you going to the Sunshine Coast Council June 16 seminar with PPI, H2O Pure Plus & Storm Plastics

Have you booked for the MPAQ (yes, it's back to being MPAQ) Night of Nights on October 10 ?

**MR. PLUMBER, how would you like your pipes and fittings to be under this soil?**  
**This is Storm Plastics PVC Expanda Joints and Swivel Joints Territory.**

Imagine how much this will move each time it gets wet then dries out, then gets wet and dries out again and again.
